Dear Mr. La Pierre:

We are very gratified by your letter of 22 June in which you indicated your willingness to participate in the Webster Panel.

In order to initiate the necessary security clearance procedures for your association with this Agency, I must impose upon you to complete the two forms which are enclosed.....a Personal History Statement and an Appendix I (the Attorney General's list of subversive organizations). Please return the original and one copy of the Personal History Statement and the single copy of Appendix I.

I am sure you have suffered through this sort of thing before and I apologise for this inconvenience. However, it is necessary in order that you may be accorded access to a broad area of classified intelligence information.

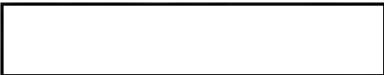

I certainly look forward to your participation in the work of the Webster Panel and feel sure you will deem it to be a rewarding experience.
